To provide the greatest possible facilities for posting Correspondence for Europe, and to enable the Post Office to receive the departure of French Packets, arrangements have been made for receiving at the Post Office late letters from Singapore and the United Kingdom only for the 1st and 13th of each month. Letters must be received by 12 noon on the 1st and 13th of each month at a late fee of 13 cents extra postage.

To similar supply of letters Mail will be sent for Shanghai by the English and French Contract Steamers, the late letters being received from 40 minutes after, up to half an hour after the time of closing. The late fee will be 18 cents.
